

2017 Autumn Goddess Retreat Festival Sponsorship Opportunities

On September 30th, Wellness in Harmony is proud to announce that the Autumn Goddess Retreat returns to Chester County for its 8th annual festival and fundraiser! The Autumn Goddess Retreat brings together men, women and children of all ages to enjoy a full day of workshops, live, interactive music and dance, holistic practitioners, local artists and crafters, and other local health and wellness minded businesses. The event is a celebration of community and connection, as well as an opportunity to support local charity, and attracts participants throughout the tri-state region.

We are proud to support **Unite for HER** as this year's beneficiary for the festival.

Unite for HER provides services to over 1000 women in our community annually. Their mission is to ***"bridge the gap between the medical and wellness communities by funding and delivering complementary therapies that support the physical and emotional needs of those with breast cancer during treatment and beyond. We educate our women and the community about the role of healthy lifestyle choices in the prevention of disease and the promotion of wellness."***

Sponsorship opportunities - levels range from \$100 to \$2,500

Basket Raffle Donations: We accept gift baskets with items such as jewelry, clothing, spa experiences and gift cards for the raffle. Minimum value is \$50.

Advertising for this event reaches thousands of members of our community through social media, web, print and email advertising. Sponsors receive visibility throughout the event promotional period as well as during the festival on September 30th.

You have the assurance that proceeds from your sponsorship of Autumn Goddess Retreat will directly benefit breast cancer patients in the 16 hospital communities that Unite for HER serves through wellness day programs, free complementary therapy treatments (such as nutrition, acupuncture, yoga, massage), grants, and compassionate support.

Last year, Unite for HER administered over \$500,000 in funding for these programs to ensure women with breast cancer and their families have the resources they need to find their personal path to healing.

Unite for HER nonprofit organization works diligently and responsibly to provide financial support and educational materials to breast cancer patients, as well as empowering women and girls of all ages to make healthy lifestyle choices that promote wellness and disease prevention. We encourage you to further explore Unite for HER's outreach initiatives by visiting the website for more details.

We cannot begin to express our excitement as we gain substantial support for the event, and hope you partner with us for the Autumn Goddess Festival.
